ABSTRACT**

PUBLIC SERVICES – ROADS AND BUILDINGS DEPARTMENT – Creation of the post
of Chief Engineer (R&B) – Orders – Issued.

FINANCE (SMPC) DEPARTMENT

G.O.Ms.No. 60

Date: 21.02.2009

Read the following:

1. From the I/c.ENC(R&B) Admn. lr.No.64/Ser.I(1)/2008, dt. 23.09.2008.
2. T.R.&B. Department C.No.12429/Ser.I/8, Dated : dt. 20.02.2009.

ORDER:

The Transport, Roads and Buildings Department have stated that Designs Wing in Roads & Buildings Department is an important wing which has to prepare action plans for Five Year Plans and also the short and long term plans for infrastructure development in Roads & Buildings sector of the State; besides preparation of designs for various structures taken up for development under various schemes with particular reference to site conditions. Positioning an independent Chief Engineer would not only ensure the above aspects but also ensure that projects are executed in accordance with the specifications and quality of approved designs. Creation of an independent post of Chief Engineer for Designs and Planning would also check unnecessary delays in approval of designs, estimates and technical sanctions with particular reference to checking the adaptability or otherwise of the designs furnished by the consultants for projects and improve the functioning of the Department as a whole.

2. Considering the importance of the Designs & Planning wing in the department and for effective monitoring of the designs, the Transport, Roads and Buildings Department have decided to create one post of Chief Engineer with immediate effect in the scale of Rs.23500-700-27000-750-30000-765-30765.

3. Government after careful examination of the proposal hereby order creation of one post of Chief Engineer in Roads and Buildings Department in the scale of Rs.23500-700-27000-750-30000-765-30765.

4. The Transport, Roads and Buildings Department shall take necessary further action in the matter.

5. Copy of this order is available on Internet and can be accessed at address <http://www.ap.gov.in/goir>.
